

CURRICULUM VITAE

Name: Søren Moestrup

Year of birth: 1956

Nationality: Danish

Profession: Forester/Agroforester/Watershed Management Specialist/Gene Resource Specialist

Present Position: Deputy Director, Danida Forest Seed Centre (DFSC)

Specialisations: Forestry planning, forestry inventory, agroforestry, watershed management, environmental assessment, seed procurement, tree improvement, gene resource conservation. Project preparation, evaluation, management, planning and administration

Education: The Royal Veterinary and Agricultural University, Denmark, M.Sc., forestry, 1983
Diploma in Forestry in Developing Countries, The Agricultural University, Helsinki, 1980

Languages:	<u>Speaking</u>	<u>Reading</u>	<u>Writing</u>
	Danish	Mother tongue	
	English	Excellent	Excellent
	German	Fair	Fair
	French	Fair	Fair
	Nepali	Fair	Poor

Key Qualifications: Mr. S. Moestrup has 19 years of experience: 7 years overseas, 3 years as forestry adviser to a Watershed Management Project in Nepal (1984-87), 4 years as chief technical adviser to a National Tree Seed Project in Indonesia (1998-2002) and 12 years of experience with Danida Forest Seed Centre in Denmark, as Agroforestry Officer (1987-90) and Deputy Director (1990-98 and 2002-).

Danida Forest Seed Centre provides assistance to developing countries in seed procurement, tree improvement and gene conservation (research, development, training).

Employment at Danida Forest Seed Centre includes the following main activities:

- Project operation, monitoring and budgetting
- Programme planning, financial control, office management
- Recruitment and briefing of permanent and short-term staff
- Coordination of technical backstopping to supported projects. Fielding of missions, incl. preparation of TOR.
- Preparation of project documents and work plans for supported projects
- Professional work within the fields of tree improvement, seed procurement and gene resource conservation, and watershed management and agroforestry

Experience :

2002 - Danida Forest Seed Centre

1998 - 2002: Indonesia Forest Seed Project, Bandung, Java, Indonesia

Appointed by Scanagri a/s as Chief Technical Adviser (CTA) on the Danida financed Indonesia Forest Seed Centre.

The project covered the entire country and was implemented by the Directorate of Forest Tree Seed (DFTS) in Ministry of Forestry, Jakarta.

The project was focused on institutional strengthening of the DFTS and the six regional tree seed centres (BPTHs) spread throughout Indonesia. The project did training, extension and supported specific technical activities, as well as provided equipment to the DFTS and the BPTHs.

The CTA supported the national Project Manager in all aspects of management of the project.

1987 - 1998: Danida Forest Seed Centre, apart from daily management of the centres general activities the major work comprise:

- preparation of project documents, including environmental assessment, for Tree Seed Projects in Sudan, Somalia, Ethiopia, Uganda, Eritrea, Mauritania, Thailand, Indonesia and Nepal, including short-term assignments with Danida for visiting the countries as part of the preparation procedure.
- assistance (short term consultancies) to supported seed centre projects in a number of developing countries, emphasis on project planning and management, including Plan of Operation.
- assessment/evaluation of multipurpose tree species and provenance trials in arid zones in S. America, Africa and Asia.

1994 (4 months): Danida. Acting Project Coordinator at National Tree Seed Programme, Tanzania. Preparation of Project Implementation Plan, 1994-96.

1984-1986: FAO, Rome, Italy

Associate Expert in the technical field of watershed management/agroforestry, duty station in Pokhara/ Kathmandu, Nepal.

Appointed to an Integrated Watershed Management Project including the following main components:

- Agriculture
- Livestock
- Forestry, Community- and Social Forestry
- Erosion Control
- Horticulture
- Extension
- Local Development Plans

The main activities in the Forestry Section of the Project were:

Preparation of integrated watershed management plans. Overall supervision of seven forestry nurseries. Selection and planting of approximately 100 ha annually for afforestation. Planning and implementation of agroforestry trials. Planning and implementation of private planting surveys. Planning and implementation of local development plans. Preparation of lecture notes for and lecturing in agroforestry on national and regional basis.

1981 (6 months) : **COWIconsult, Taif, Saudi Arabia**

Surveyor, setting up triangle nets and doing detailed surveys for road construction.

1976 (4 months) : Lagos, Nigeria

Surveys of sawmills in the Lagos Lagoon, estimating efficiency and making recommendations for improvements.

Selected assignments:

Consultancy services for UNSO, FAO, Danida and DFSC.

- 1997: Eritrea (DFSC): Preparation of a National Integrated Strategy for Seed Procurement, Tree Improvement and Conservation of Genetic Resources.
- 1997: Tanzania (DFSC): International Danida Workshop on Watershed Management.
- 1997: Senegal (DFSC): Workshop of the African Tree Seed Centres.
- 1997: Eritrea (DFSC). Preparation of Sector Component Implementation Plan (SCIP) for the National Tree Seed Project.
- 1996: Nepal (DFSC). Monitoring consultancy to "Tree Improvement Project", Nepal.
- 1996: Indonesia (Danida). Preparation and appraisal of Project Document for "Indonesia Forest Seed Project", Indonesia.
- 1996: Tanzania (Danida). Review of "National Tree Seed Programme", Tanzania.
- 1995: Tanzania (DFSC). Planning and implementation of annual coordination meeting for DFSC supported tree seed projects in East Africa.
- 1995: Ethiopia (UNSO). Preparation of "Integrated Strategy for Seed Procurement, Tree Improvement and Gene Resource Conservation" for Ethiopia.
- 1995: Nepal (Danida). Review of "Tree Improvement Programme", Nepal.
- 1995: Eritrea (Danida). Appraisal of Project Document for "National Tree Seed Project", Eritrea.
- 1994: Danida. Acting Project Coordinator at National Tree Seed Programme, Tanzania, (4 months). Preparation of Project Implementation Plan, 1994-96.
- 1994: Madagascar(DFSC). Workshop of the African Tree Seed Centres.

- 1994: Uganda (DFSC). Planning and implementation of annual coordination meeting for DFSC supported tree seed projects in East Africa.
- 1994: Eritrea (UNSO). Preparation of project document for Eritrea Tree Seed Project, Team Leader.
- 1993: Sudan (DFSC). Planning and implementation of annual coordination meeting for DFSC supported tree seed projects in East Africa.
- 1993: Thailand (Danida). Preparation of project document for a "Tree Improvement, Seed Procurement and Gene Conservation Project", Team Leader.
- 1993: Costa Rica (DFSC). Preparation of Plan of Operation for CATIE Tree Seed Project.
- 1993: Ethiopia (UNSO/DFSC). Preparation of Plan of Operation for Ethiopia Tree Seed Project.
- 1992: Ethiopia (DFSC). Planning and implementation of annual coordination meeting for DFSC supported tree seed projects in East Africa.
- 1992: Nepal (DFSC). Preparation of Plan of Operation for Nepal Tree Improvement Programme.
- 1992: ICRAF, Kenya (DFSC). Preparation of project document for ICRAF MPT-Germplasm Resource Centre.
- 1992: Ireland (Danida). Meeting of the Forestry Advisor Group to Tropical Forestry Action Programme.
- 1992: ICRAF, Kenya (DFSC). Preparation for International Workshop on "Multipurpose Tree Species Germplasm Programmes.
- 1991: Nicaragua (DFSC). Preparation of Plan of Operation for Nicaragua Tree Seed Centre.
- 1991: Pakistan (DFSC). Assessment of FAO Arid Zone Tree Species/Provenance Trials.
- 1991: Ethiopia (UNSO). Updating and appraisal of project document for "Ethiopia Tree Seed Centre".
- 1991: Uganda (UNSO). Updating and appraisal of project document for "Uganda Tree Seed Centre".
- 1991: Thailand (DFSC). International workshop on "Assessment Methodology for Multi- purpose Tree Species".
- 1990: Nepal (Danida). Appraisal of project document for "Tree Improvement Programme, Nepal".
- 1990: Senegal (DFSC). Assessment of FAO Arid Zone Tree Species/Provenance Trials.
- 1990: Tanzania (DFSC) Preparation of Plan of Operation for Tanzania Tree Seed Project.

- 1989: Nepal (Danida). Preparation of project document for "Tree Improvement Programme, Nepal".
- 1989: Ethiopia and UNSO, New York (UNSO). Preparation of project documents for "Ethiopia Tree Seed Centre".
- 1989: Mauritania (Danida). Preparation of project document for "Mauritania Tree Seed Centre".
- 1989: Burkina Faso (Danida). Regional collaboration on seed procurement and tree improvement.
- 1989: Thailand (Danida). Workshop for creation of FORSPAR.
- 1988: Sudan (UNSO/Danida). Preparation of project document for "Sudan Tree Seed Centre".
- 1988: Somalia (UNSO/Danida). Preparation of project document for "Somalia Tree Seed Centre".
- 1986: Thailand (FAO). Planning and implementing study tour on watershed management, 7 Nepalese participants.

Selected Publications:

- IFSP.1998-2002: Project Implementation Plans, AWP, Progress Reports and a substantial amount of teaching and extension material related to seed procurement, tree improvement and gene resource conservation.
- Moestrup, S. 1997: Tree Planting in Watershed Management, Hima (Danida), Tanzania, 1997.
